Company - Community Film Unit

Job Title - Film Making Internship

Start Date - Monday 7th October 2013

End Date - Friday 4th April 2014

Hours - 3 days per week (semi-flexible 9 - 5)

Salary - Unpaid with full travel expenses reimbursed

The Community Film Unit are looking for an outstanding individual who is committed to a career within the film industry. We are recruiting a film making intern, who will be actively supported throughout the 6 month working period to develop their skills and they will finish with exceptional industry experience and extremely well placed to find a full time job within the industry. The successful candidate will be offered freelance opportunities upon completion of the internship.

Is this you?

You will be a graduate (or exceptionally skilled non graduate) from a creative course and be technically efficient and very willing to learn new skills and contribute to a young and exciting film company. You will be passionate, creative and have relevant technical experience within the film industry. Previous experience using a Mac and final cut software is essential.

You will be motivated, able to think on your feet and capable of working in a deadline driven environment on a variety of different film projects. You will be able to work well in a small team and also work efficiently as an individual. You will show exceptional levels of precision in your work, take pride in what your doing and be able to contribute creatively to a range of different projects. A detailed level of communication is essential and willingness to interact well with a wider production crew on set. Energy, personality and an appreciation of sarcasm is beneficial.

Whats the role?

The main focus of the role will be as an editing assistant who will work closely with our creative director and the core production staff. The successful applicant will also be required to assist in pre production for certain films and may be required to assist on shoot days.

Although the role is unpaid, all travel expenses will be reimbursed. The successful applicant will be supported to develop their skills and significantly enhance their experience within the film industry, enabling them to get a foot well and truly on the career ladder within a very competitive job market. Upon completion of the internship there will be paid freelance opportunities available for the successful applicant.
